Associate Membership

OACP recognises that a number of micro-providers may not be constituted as corporate entities.

Micro-providers are defined as:

- people registered as Personal Assistants through the Support with Confidence scheme.

Associate Membership allows connection and professional training to be available to many people, who would otherwise not have access.

OACP offers a reduced rate for Associate Membership for non-corporate entities. This is currently set at £30.00 per micro-provider.

Associate Members are not eligible to:

- Vote at the OACP Annual General Meeting;
- Have logos or other self-promotional material displayed on the OACP web-site;
- Attend condition/setting-specific provider forums run by OACP unless directly invited.

All other benefits previously listed under Full Membership are open to Associate Members.
